

Harborfields Lacrosse Club

Annual Lacrosse Scholarship

APPLICATION

Each year the Harborfields Lacrosse Club awards two scholarships worth \$1,500 each to graduating seniors (one male and one female) who plan to attend college and who have played varsity lacrosse while at Harborfields High School. Our selection criteria are separate and distinct from the high school's MVP and Coach's awards. The primary purpose of the scholarships is to reward individuals who have given back to the local lacrosse community, especially to our youth program.

In order to be considered for the award, a candidate:

Must be in good academic standing;

Must have played at least one year of varsity lacrosse;

Must have provided positive leadership to his or her team--both on and off the field--particularly as a role model for younger members of the team; and,

Must have given back to the Harborfields lacrosse community, in particular to the Harborfields Lacrosse Club youth program.

If you would like to be considered for this scholarship, please fill in the information requested below and return it to your coach by May 15th.

Please reply to each of the following queries in 100 words or less. You can use another sheet of paper if you prefer, but please keep your answers within the word limit.

1) Please describe your participation in lacrosse over the past 4 years. Include any special recognition or awards that you have received.

2) How have you provided leadership to your team, particularly as a role model for younger players?

3) Explain how you have given back to the Harborfields lacrosse community, especially to our local youth program; provide names and examples of coaches or children that you have helped.
