Harborfields High School  
Taylor Avenue  
Greenlawn, NY 11740**

August 26, 2004

Dear Parents:

The Harborfields Booster Club was established in 1978 to promote and encourage extracurricular activities, particularly athletic sports, for the students of the Harborfields Central School District. Over the years the Booster Club has provided financial support for annual scholarships, purchase of equipment, summer sports programs, and refreshments at parent/coaches and sports recognition nights. Recently the Booster Club presented a check for \$15,000 to the Physical Education and Athletic Department, which was used to purchase training equipment for the new Wellness Center at the High School to benefit all students.

The Booster Club's primary focus is to financially enhance the district's physical education and athletic department budget in support of **ALL** sports. We do this through annual membership dues and other fundraising events (golf outing, Wizards Basketball game) during the year. To accomplish our goals we ask that all families, particularly those with student athletes at OMS and the High School, support the athletic programs in the district by becoming a member of the Booster Club. (We don't sell our list to marketers and you won't get a phone call to volunteer). With over 800 student athletes participating in various sports last year we hope to match the same level of membership at the Booster Club.

There are various levels of membership to choose from. You may return the attached slip at the parents/coaches meeting on September 9<sup>th</sup>, or mail it to the Booster Club at the High School. If you would like to get involved please come to a meeting (usually once a month, see school calendar for dates and time). All are welcome, we are an equal opportunity volunteer group, just trying to make a difference and have a little fun while doing so. Any questions you can call Andy Terc at 424-3946 or Joe Walsh at 261-8460.

Thank you in advance for your support.
